	5	NOTE: The above Peter and wife Laurencia obtained record title to lands in Sanderstead Parish in 1346, but continued to live in Woods Place, at least as late as 1359, when he was licensed to maintain a chapel of his own at the Woods Place. The Atwoods gained a lease on the perpetuity of the Church part of Sanderstead Manor about this time, since it is known they had it, but no record of the transaction is found. Peter, husband on this family group record, built the Church at Sanderstead Court about 1380.
