	10	NOTE: There is no indication in any of the above quoted sources that there was a Gil												
	11	or Roger belonging to this family. Also there is some doubt whether the above Regi-												
	12	nald has been mistaken for the Reginald who married Grace de Briwere who is actually												
	13	grandson of the above couple. In the case of child no. 1, Bertha, there is also												
	14	some quandry as to whether she belongs to this couple or to William, child no. 2,												
	15	and whether she married William Beauchamp or Walter de Beauchamp. There are also												
		some indications that this Bertha is the daughter of the above couple who married												
		Adam de Port.												
		Because of the sealing action previously taken, their names will be left on this												
		compilation until better evidence is made available.
