Dear Mrs. Marva Rydalch:

The records you sent were forwarded to the Medieval Families Identification Unit for the special research and handling required for families that lived before 1500 A.D. and/or are tied to nobility lines. We hope the delay in processing has not been an inconvenience to you.

The names, Cave, Burdet, Clerke, Tatesham, Passemer, and Moyle, you submitted have previously been processed for temple work. In addition these families are among our major projects. This research and temple ordinance work will be available to the public in a computer data base known as the Ancestral File. When the file is available and the records entered, you will be able to obtain copies of the finished Family Group Records for your personal files.

Thank you for coordinating your research with us. If we can be of further assistance, please let us know.

Sincerely,

Susan K. Land
