NOTE: Attention is invited to a basic error in the Genealogy of the Foss Family by Guy Scoby Rix (3669) F N.H.11 pt.11 or (3672) F N.H.14 pt.8. The author has erroneously integrated the descendants of two unrelated families into one line of ancestry. Concerned are the families of John Foss, a calker, immigrant from Denmark - resident of Rye Beach, N.H. as distinguished from John Fost, a tailor, born in England - resident of Dover, N.H. This New Hampshire area appears to have included families of Foss - Fost - Forst & Frost names. See Me.40 pt.1-3 p.240 and Mass. Pub. F Vol.14 p.133.
