	7	NOTE: In the above mentioned source (Germ FH 694) it is claimed Helena or Euphrosyne was a daughter of Mstislav by his second wife and a sister to Isiaslav II, Grand Duke of Kiev; however, in Plantagenet Ancestry (Eng. 116) it is claimed she was a daughter of Isiaslav. The later would seem more correct since she was born about 1130 according to both sources. It is not impossible that her father was 54 years of age at her birth, but it is more likely she had a younger father and therefore that it would be Isiaslav as claimed by the second mentioned source. Until further evidence can be found this family group record is compiled on that premise.
