Springville couple notes fifty years of married happiness

Two well known and beloved Springville natives, Mr. and Mrs. Solon Wood, celebrated their fiftieth wedding anniversary June 21 and chose to return to the Salt Lake Temple for the occasion, the scene of their first trip there when they were married June 21, 1911.

Solon, who is clerking at the Wood Mercantile store where he has been for the past 37

years, was born Dec. 26, 1888 in Springville, the son of Lyman G. and Mary Pierce Wood. He attended Springville schools through the ninth grade when he left school to go to work. In his earlier years he was employed for 9 years with Utah Copper.

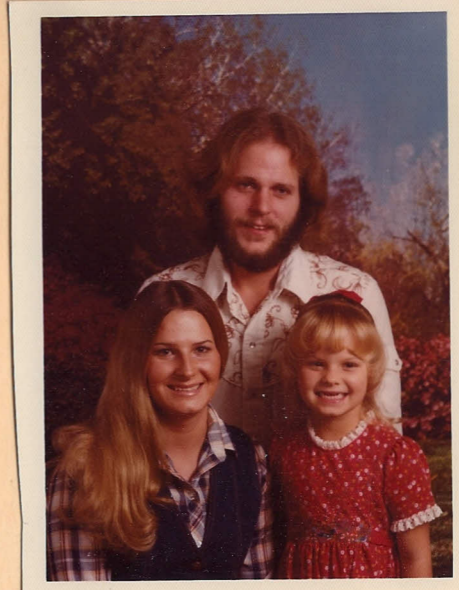

Always active in church work, Mr. Wood has held a number of responsible positions. While in Bingham, he was ward clerk for 4 years. He serves as one of the presidents

of the Seventy quorum, was in the bishopric as counselor to Bishop Theron Hall for 9 years. He has been an ardent temple worker and he and his wife filled a mission to the northwestern states.

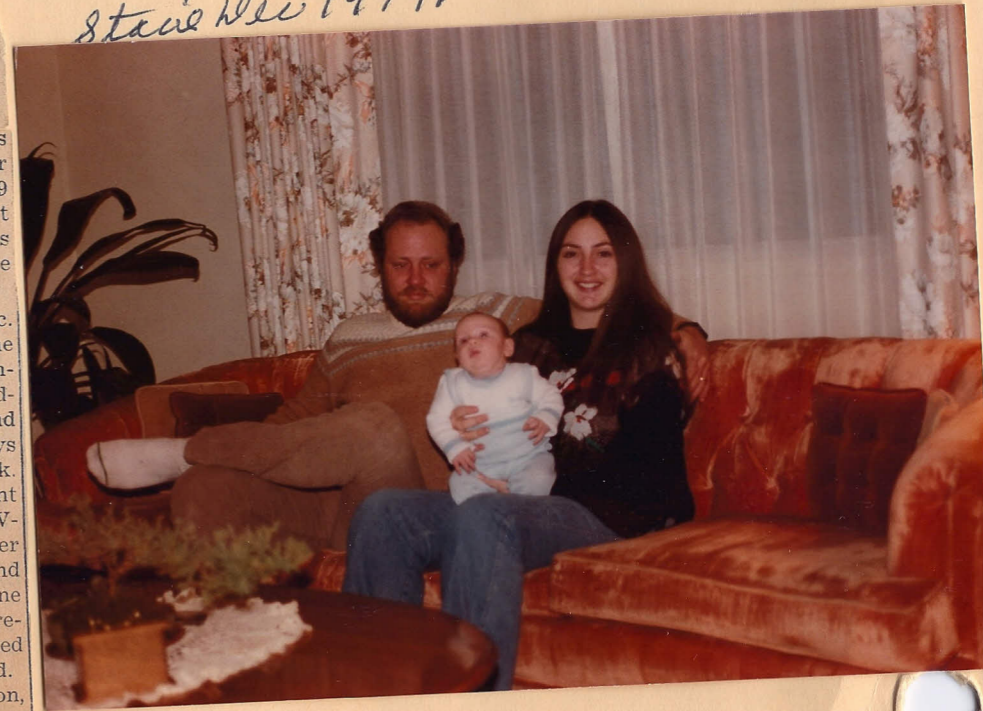

Maggie Wood was born Dec. 7, 1891 in Springville, the daughter of Joseph and Sophronia Perry Hall. She attended schools in Springville and like her husband, has always been active in church work. Mrs. Wood has been president of the Relief Society and YW-MIA, has taught in a number of Sunday School classes and religion classes. She has done considerable temple and research work as well as filled a mission with her husband.

The Woods have one son, Farlan and 7 grandchildren.

The Herald joins their many friends in extending congratulations to the Woods on their fifty years of wedded life.
