NECESSARY EXPLANATIONS
 Archive record by Pauline Young has #4 Esther and #6 Peter. I can find no documentation to prove they belong to this family. All the family and area histories I have found mention only the four children. The unnamed daughter's birth is listed in Yarmouth Vital records but must have died young. VMS

NECESSARY EXPLANATIONS
 Archive copy h as #1 Ellen or Ellinor who md (1) John Adams (2) Kenelm Winslow, but later research has proved she was Ellen Newton who arrived in New England on the "Anne" in 1623.
 The will of Peter Worden Sr. mentions a grandson, John Lewis, so he must have had a dau who married a Lewis and died before 1638.
