Dear Mrs Hall

Enclosed are some notes on John Elden + Ruth Sands.
This is based on information I've compiled over the
past 20 years.

Ridlon's "Saco Valley Settlements + Families" has
much information about these families.

Ruth Sands had a brother Thomas, about whom
little is known.

John Elden Sr. is an elusive figure. Some
research might be done on a possible connection with
Capt. John Alden (son-in-law of Lt. Wm. Phillips) in
Biddeford c. 1661. There are several Alden descendants
in this area.

Sincerely
Zam a Thompson
